FOR IMMEDIATE RELEASE
August 20, 2008

BleekerVigesaa General Contractors, headquartered in one of the fastest growing cities in the United States, Brighton, CO, is also one of the fastest growing companies in the United States according to Inc. Magazine. BleekerVigesaa General Contractors has been recognized as number 297 on the 2008 Inc. 500 list of the Fastest Growing Private Companies in America. The Inc.500 has served as a benchmark for the most innovative, dynamic and successful companies in the nation for more than 27 years. This recognition places BleekerVigesaa General Contractors among notable past Inc. 500 nominees that include Microsoft Corporation, Corporate Express, and Oracle.

James Vigesaa, owner of BleekerVigesaa General Contractors, credits the company's success to providing excellent customer service and the assistance received from the Brighton Economic Development Corporation and the City of Brighton. "Our motto "Building Your Success!" says a lot about how we do business. We approach each construction project with the attitude that we need to meet all of the clients goals and we achieve that by inspiring a team that includes the owner, the architect, BleekerVigesaa General Contractors and all of the sub-contractors," said Vigesaa.

"Brighton Economic Development Council has also been a key to our success providing everything from business resources to introductions and networking to promote our business to the rapidly growing Brighton business community and

beyond. The City Of Brighton has also been very business friendly for us and has facilitated our growth into the largest General Contractor in Brighton.

BleekerVigesaa General Contractors, Inc. is a Brighton, Colorado-based General Contractor specializing in negotiated Construction Manager/General Contractor type projects throughout Colorado's Front Range. BleekerVigesaa General Contractors is also one the top 50 General Contractors in Colorado, one of the top 200 Retail Contractors, and one of the Top 200 Hospitality Contractors nationwide for 2008.
